

# Pella® Architect Series® Windows and Doors

Unsurpassed architectural expression.®

Pella's Architect Series collection of windows and doors offers you architectural flexibility for any project — from historic renovation to contemporary new construction. The real beauty is the creative freedom to delight your customers with virtually endless design options, including unique shapes and sizes, a collection of woods, unlimited exterior colors, standard and custom grille patterns, and more.

Never has something this stunningly beautiful been so perfectly functional. Every Pella Architect Series window and door is expertly crafted to accentuate the natural beauty of the wood — and made to your specifications.

Pella's Integral Light Technology® grilles combine the look of true divided light with today's energy efficiency. The grilles are crafted with a high-definition profile that seamlessly matches the sash and are permanently bonded to the energy-efficient insulating glass. For details on all grille options, see your Pella sales professional.

7/8" GRILLES

1-1/4" GRILLES

2" GRILLES

The natural wood interiors of Architect Series (LX) double-hung windows — including wood jambs — blend seamlessly with the interior wood finishes of a home or building.

MAHOGANY WITH CEDAR CHEST STAIN

MAHOGANY WITH CLEAR VARNISH

Pella's impressive collection of woods offers the ability to complement the architecture and interior of a home or building.

- **Pine** offers a versatile grain that makes it the perfect blank canvas for any finish color.
- **Douglas Fir** provides a sleek, contemporary look with its distinctive grain and offers extra strength and durability.
- **Alder** is coveted for its random characteristic knots and checks — and its striking color.
- **Mahogany** creates fine-furniture elegance with its warm, rich color and can blend tastefully with other mahogany woods in a home or building — including cabinets, furniture, floors and trim.

Plus, Pella offers some of the fastest, most reliable lead times in the industry. Pella® Mahogany, Alder, Douglas Fir or Pine wood windows and doors are part of our standard, made-to-order product offering.
